IMPERIAL RACING

There is no greater thrill than watching your horse win, and few syndicates can match our record of finding winners. At Imperial Racing we specialise in creating friendly ownership syndicates focused on having fun and creating a top class social experience. Many new friendships have blossomed after meetings between our owners.

Benefits include:

- Full % share of owners prize monies earned by your horse (100% of prize money goes to our owners)
- Owners badge to see your horse run
- Regular stable visits, owners events and racing excursions (you can also arrange to see your horse at any time)
- Members only area and WhatsApp groups with information on all of the Imperial Racing horses and the stables linked to Imperial Racing
- An ownership certificate with a photograph of your horse

We love to win races, but most of all we love to provide our owners with a full ownership experience in friendly social surroundings.

As sales prices increase it is increasingly difficult to find value in the market. We think that this horse will prove to be exceptional value having been acquired from the Goffs Land Rover Sale at a bargain price. He is a very athletic gelding, who moves well and has plenty of scope and size. Mount Nelson his sire is steadily climbing the ranks having produced top class horses such as Penhill, Get In The Queue and Pure Bliss from his early crops. He was broken on his return from the sales and has been ridden and cantered. Early loose schooling sessions over poles have shown him to be a natural jumper, making a great shape at his obstacles. The plan will be to give him a short break before he enters his pre-training program. All the signs are that he is quite precocious so he is one we would expect to see on a track sooner rather than later. He will be trained by Kim Bailey, who also trains our latest Cheltenham Festival winner Imperial Aura. Early signs are that he will be effective in bumpers before he starts his jumping career. We couldn't be happier with his progress to date, and think he has a very bright future ahead of him.
