**HARRY FRY**

We are delighted to welcome Harry Fry back to our list of trainers for the 2022 season. Harry has developed a reputation as one of the best young trainers around since he gained his trainer's licence in October 2012. That decision coming on the back of training Rock On Ruby to win the champion hurdle whilst working as assistant trainer to Paul Nicholls. Harry now trains from state of the art facilities set into the beautiful countryside. Higher Crockermoor is home to some of the finest all purpose facilities, with two all weather gallops, schooling facilities, and 50 acres of turnout paddocks. We look forward to enjoying further success with Harry and his talented team.

## **JERSEY KLASS**

A stunning individual with size, scope, athleticism and a great temperament. He was our pick of this years Tattersalls Derby sale, and also the pick of his trainer who had the choice of this years Imperial Racing stores purchases. As well as his striking appearance he has a relaxed attitude to life and has handled his pre-training education with ease. He has jumped poles and hurdles with aplomb and we have been delighted with his progress. His sire is enjoying a good level of success, and the first four foals from his dam have all won showing a good level of ability over jumps. He has the scope to jump fences in time, but we expect him to make a bold showing in bumpers and hurdles on route. He is currently completing his pre-training and will be despatched to Higher Crockermoor to commence his career on the track this winter.
